As part of the Brennan Harbour family, we want you to be able to take advantage of all the services we offer.

Trailer Cleaning: Whether you want your trailer cleaned before you arrive or cleaned after you leave, we can have your trailer in tip top shape for you. This is charged at \$25/hour and \$10 for a load of laundry

Fish Cleaning: Being located on the Whalesback Channel you have amazing fishing at your door step. After a day of fishing, why waste good relaxation time with fish cleaning. Just bring your fish up to the fish cleaning house and we'll take care of them, for the minimal charge of \$3 per fish. The fish cleaning house is for Brennan Harbour Staff use only

Boat Rental: Need a boat for yourself or one of your guests? Subject to availability you can rent a 16' boat with a new 20hp 4 stroke motor for \$95 per day. All our boats have flat floors, comfortable swivel seats, fish finders, rubber nets and all the safety equipment required. Need a pleasure craft licence?? Don't worry we can supply you with a temporary licence for the length of the rental.

Meals: No fast order cooking allowed. Enjoy fresh home cooked meals at our lodge. Please see the reverse for our menu. Three course meal, for only \$20. Feel free to bring your own beer or wine. Reservation is required 705-844-1136.
